(18.925 Liters)

■ **55 Gallons**
(208.175 Liters)

DIRECTION FOR USE

It is a violation of the Federal Law to use this product in a manner inconsistent with its labeling.
Application: Read the entire Directions and Conditions of Sale before using Industrial Insect Spray.

This spray is a highly effective formulation that provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides:

ANTS, FLEAS, BROWN DOGTICKS, FLIES, CLOVER MITES, HORNETS, CRICKETS, MILLIPEDS, SOYBUGS, EARWIGS, MOSQUITOES, SPIDERS, ROACHES, WATERBUGS, WASPS, SAW-TOOTHED GRAIN BEETLE (exposed), SCORPIONS.

In addition to rapid initial kill, Industrial Insect Spray stays on treated surfaces and kills insects many weeks after the spray deposit has dried.

HOW TO USE: This product is ready to use undiluted as it comes from the container, and must be applied with either power-operated or hand pressurized sprayers. This product shall **NOT** be distributed, sold, or used with finger-operated trigger sprayers. Apply as a coarse spray to surfaces until moist, moving the spray stream rapidly enough to prevent excessive wetting of surfaces and waste of material.

INDOOR USE: For use in inedible product areas of Bakeries, Food Handling Establishments, Restaurants, Hotels, Motels, Institutions, Schools, Theaters, Office Buildings, Apartment Buildings, Stores, Warehouses and Homes: Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. For ants, spray ant trails and places where ants enter premises. Repeat as needed. Do not spray foodstuffs or house plants. Remove pets and cover fish bowls before spraying. Application may be made to floor surfaces along baseboards and around air ducts, however, do not treat entire area of floor or floor coverings. Do not allow people or pets to contact treated surfaces until surfaces are completely dry.

BROWN DOG TICKS: Remove pets, spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

OUTDOOR USE: Spray thoroughly those areas where pests have been seen or found including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter the indoors. For ants, spray ant trails and mounds. For control of wasps and hornets apply after dark when all of the insects have returned to the nest. Repeat as necessary. Do not spray vegetation.

PRECAUTIONS AND RESTRICTIONS:

1. Do not use this product indoors as an overall surface spray or as a space spray. Take care not to introduce this product into the air during application.
2. Use only in well-ventilated areas.
3. Do not apply where children are likely to frequently contact treated surfaces.
4. Remove or cover fish bowls and remove pets before application.
5. Do not treat pets or plants with this product.
6. Do not allow children or pets in treated areas until spray has dried.

14. Do not use in edible products area of food processing plants, restaurants, or other areas where food or feed is commercially prepared or processed.

15. Do not use in serving areas while food is exposed.

16. Do not use this product in conduits, motor housings, or electrical switch boxes.

17. Do not apply as a landscape treatment to lawns, shrubs, trees or garden plants.

18. Do not apply to, or allow it to drift to, food crops or any desirable vegetation.

CONDITIONS OF SALE: Read the entire Directions For Use, Conditions, Disclaimer of Warranties, and Limitation of Liability before using this product.

If the terms are not acceptable, return the unopened container at once.

By using this product, user and buyer accept the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product are believed to be adequate and should be followed carefully, however, it is impossible to eliminate all risks associated with the use of this product. Injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of CTX/Cenol, Inc. All such risks shall be assumed by the user or buyer.
