apply directly to water. Do not contaminate water by cleaning of  
equipment or disposal of wastes. Apply this product only as  
specified on this label.**PHYSICAL HAZARDS**

Do not pour, use, spill or store near heat or open flame.

Net  1 Gallon  5 Gallons**DIRECTIONS FOR USE - continued**Do not contaminate feed, water or mineral supplements with  
this compound. Do not contaminate milk or milk handling  
establishments. Wash udder and teats before milking. Do not  
use in commercial food processing, preparation, serving or  
storage areas.

Dilute one gallon of Wik-Rub with four gallons of kerosene.

To repel HORN FLIES, STABLE FLIES, fill the backrubber and  
facrerubber applicators with the diluted mixture of Wik-Rub  
insecticide. It will take a few minutes for the canvas parts to  
become saturated.The applicators should be placed where the livestock loaf or  
congregate so that they may have access to it at all times.**WARRANTY STATEMENT**Our recommendations for use of this product are based upon  
test results believed to be reliable. The use of this product  
being beyond the control of the manufacturer, states that no  
guarantee, expressed implied, is made as to the effects of such  
or the results obtained if not used in accordance with directions  
or established safe practice. The buyer must assume all  
responsibility, including injury or damage, resulting from its  
misuse as such or in combination with other materials.For information on this pesticide product (including health  
concerns, medical emergencies, or pesticide incidents),
